Dear Lee:

Thanks so much for your letter about my book at  
Morrow. Now I understand why all six of my manu-  
scripts sent out between Sept. and the first week  
in ~~November~~ <sup>OCT.</sup> are floating around.

I did get a lovely letter from Judy Marks, the  
editor at Reilly and Lee in feference to my  
Green Kangaroo which they've been considering for  
eight months.....she says she still likes it,  
but she is leaving.....her replacement is Judy  
Pownell who also "likes" Green Kangaroo....they  
ask me to be patient a little while longer  
while the new ed. learns the ~~te~~ ropes! Why not!

Everything else is still out....Parents have  
Roger Crater.....they've never kept anything of  
mine over a month....they've had this nine weeks....

In the meantime, this is a very busy time of year...  
I am UNICEF chairman for the Westfield Committee  
for Unicef. This is work I've been doing for nine  
years and I love it. My only activity of this kind.  
We've sold about \$2000 already and I'm very pleased!  
It's a good feeling.

Then there is my new book. Boy! Am I having fun  
with it. It's a real project though. Not like  
a picture book. All those characters <sup>and</sup> are sub-plots.  
I'll soon be through with the first draft.....but  
I can see that the scene developments in this are  
going to take time!!!  
Here's to January.....

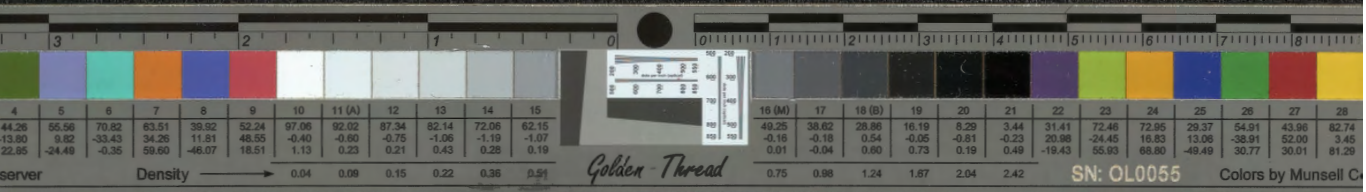

I'm glad I didn't miss your class when Norma Ainsworth  
was supposed to come. Please let me know when  
the next time will be. I hope its after the holidays.  
Randy and Larry are fine. John sends regards and is  
still looking forward to meeting you.  
I love your letters. They really give me a boost!  
Thanks a lot for your interest.

Fondly,

Judy
