

New York, Dec. 5th, 1940.

Dear Mrs. Hogarth,

I did not yet thank you for your letter of Nov. 25th with the check for \$1000 and for your letter of Nov. 26th.

I wrote to Mr. Calver after receipt of your letter and gave him the necessary particulars. So far I did not hear from him again.

Mrs. Rey and I also spent an afternoon last week in Mr. Glaser's office. We had a very good *napoleon* of the work he does and of the great amount of personal care he dedicates to his job. We are waiting now to hear from him and from you how things are going.

I suppose you will let me have the text for "CURIOUS GEORGE" and "HOW DO YOU GET THERE" when you have finished them.

Because of the bad weather we had to delay our trip to Boston for the moment.

We sincerely hope that you had good news from London in the meantime. -

Sincerely yours

THE NEW YORK PUBLIC LIBRARY

ASTEN LENOX TILDEN FOUNDATION

1. The first part of the book is devoted to a general survey of the history of the subject.

2. The second part is devoted to a detailed study of the various theories of the subject.
