Dear Mrs. Hogarth:

Re: D-5414 - Picture Book

We enclose herewith, to be sent to Mr. Rey for execution by him, application papers in the above matter, including an assignment to Houghton Mifflin Company. These papers are to be executed in accordance with the instructions on the attached green slip and returned to us as soon as reasonably convenient. In view of the fact that a book embodying the same general idea was on sale in this country last January, this application should be filed before the end of the present month.

It is our understanding that no application for patent on this book has been filed in any foreign country, and the oath has been made out accordingly.

Very truly yours,

Arthur W. Calver
